

Acknowledgements

The Cayuga Lake Watershed Management Plan Project is greatly indebted to the many individuals and organizations who contributed their time, expertise, and resources during the development of this Preliminary Watershed Characterization. Their tireless efforts will greatly benefit future protection of the Cayuga Lake Watershed for year to come. The Cayuga Lake Watershed Management Plan Project would like to thank all of the members of the Intermunicipal Organization, Technical Committee, Agricultural Committee, and the Education & Public Participation Committee for sharing their wide array of experience and technical skills. There is great appreciation for the time and efforts of all of the private citizens as well. The following organizations shared their personnel, data, meeting locations, and many other resources:
